

Easter Challenge 2019

Roll The Stone

The Easter Challenge is back for another year at Uffington and we are looking forward to seeing your creative talents shine through.

This year the title is Roll the Stone: we would like you to use a large stone and paint it with an Easter symbol or image. Your rock can be made into an Easter egg, have an Easter scene, Christian symbols, a bunny rabbit, flowerthe possibilities are endless.

Please only use paint as we will varnish them and put them into the school garden to remind us of this important Christian festival.

You need to bring your stone to school on Friday 5th April when we will celebrate your creative ideas with our pop up Roll the Stone painting exhibition.

Please do not bring your stone before this date as we do not have enough space to store them free from harm.

We know you will all respond to the challenge and look forward to seeing your individual ideas on April 5th.
