

Online safety hub

The list of resources includes links to our <https://www.nspcc.org.uk/keeping-children-safe/online-safety> where you will find advice and information on a range of different online safety topics including gaming, social media, sharing nudes, parental controls and more. You will also find online safety information for families of children with additional needs and disabilities. We have worked with Ambitious about Autism and parents and carers who have children with additional needs and disabilities to create activities to help talk about online safety (see links in attached resources list).
