

Uffington School

Preparing for the Future; Living Life in all its Fullness

Our Vision

We are a family-orientated school where everyone is welcome, a place where we strive to provide the best possible education in a caring Christian environment; an education that allows everyone to flourish and have the confidence to make a positive contribution. We seek to develop the individual strengths of everyone within our school community, where each unique personality can be recognised and valued.

Our Christian values underpin everything we do: Thankfulness, Kindness, Forgiveness, Fairness, Friendship, Trust, Hope and Inclusion are key priorities for all pupils and adults in our school.
